## The World's Coolest Little Capital

Wellington is the capital of New Zealand and seat of government. Wellington is famous for its creative energy, culture, history, nature and cuisine.

The region is known as New Zealand's cultural heart, with more than 55 art galleries, plus interactive national museum Te Papa Tongarewa and the national orchestra, ballet and opera. The city's long-established coffee culture can be experienced on every corner of the compact central city.

Wellingtonians are masters of excellent casual dining, with plenty of great restaurants, night markets and food trucks – the city is said to have more eateries per capita than New York.

Renowned for its creative craft brewers, Wellington was recently named the best beer destination in Oceania by Lonely Planet.

If you need to walk off all that goodness, you're also in luck. Wellington is a capital city right on nature's doorstep, with a peaceful walk through native bush or along a golden sand beach never far from the urban hub.

With a city centre just two kilometres in diameter, Wellington is also seamlessly and cost-effectively navigated once on the ground. No need to arrange transport – all the facilities you need are within easy walking distance.

The capital is easily accessed, either by air (there are regular international and domestic flights), inter-island ferry, train or car. Wellington International Airport is a scenic 10 minute drive from the central business district. Taxis, shuttles and the Airport Flyer bus are all on hand to transfer visitors to the central city.

## GETTING AROUND

Central Wellington is very compact, you'll never be more than a five-minute walk from bars, cafés, theatres, and shopping.

**Public transport:** Information about buses, trains, the Cable Car and the East by West ferry can be found at [metlink.org.nz](http://metlink.org.nz).

**Bikes and E-bikes:** Head to Mud Cycles, Switched on Bikes or iRide to get your bike hire sorted.

**Taxis:** Several services operate in the Wellington region, such as Wellington Combined Taxis, and Hutt & City Taxi. You can call for a ride, or find a taxi at designated Taxi Stands around the city. If you prefer to use a ride-share app, we recommend the Wellington-developed app Zoomy.

**Car Share:** All the convenience of a rental car, but with added flexibility and freedom. Two services operate in Wellington: Mevo ([mevo.co.nz](http://mevo.co.nz)) and Cityhop ([cityhop.co.nz](http://cityhop.co.nz)).

## WALKWAYS

- **City to Sea Walkway:** See the best of Wellington by walking from the heart of the city to Island Bay. 6-7 hours (intermediate: tramping track)

- **Southern Walkway:** Wind your way along the Town Belt from Oriental Bay to Island Bay. 4-5 hours (easy)

- **Northern Walkway:** Discover abandoned railway tunnels and expansive views on this walk through Wellington's outer green belt. 4-5 hours (easy)
